Dear Brian:

As Commissioner of the Heart of America USA Volleyball Region, I would like to take this opportunity to thank you for the work you did in the renovation of our building. It was a pleasure working with you and your staff. Your company offered innovative solutions to many of our problems. Solutions that effected the price very little but left us with a vastly improved overall appearance to our building.

You were extremely responsive, easy to work with, and handled every request for assistance or information promptly. I can think of no other group I would rather work with than Incite Design Studio.

Sincerely,

Hank Van Arsdale
Commissioner, Heart of America USA Volleyball
